Painted in Palma by Pinmar using Awl Grip.  
Documentation available, including agreed warranty issues that are being completed this winter.  
EUR 1,500,000

Teak Deck Sanding

Decks completely sanded back to a smooth finish,  
EUR 30,000

Seating Areas

All exterior seating foams replaced and new Sunbrella material used to cover. Plus all new weighted scatter cushions. Designed and made by Sabrina in Monaco,  
EUR 75,000

Sun Deck Table

Sun Deck table has been turned 90 degrees and extended to comfortably seat 14 guests. This included all the sun deck forward teak being replaced,  
EUR 85,000

Sun Deck Teak Tops

Large teak tops on the sun deck on both port and Starboard sides were replaced  
EUR 30,000

Extended Tables & Varnished Furniture

Exterior tables and furniture has a fresh coat of varnish applied through a spray application, to guarantee a thick film thickness which is able to be polished, all to the value of EUR 40,000

Antifouling

New Hampshire has been hauled twice in the last two and a half years, and had two separate applications of antifouling applied, the last being applied in May 2018, guaranteed to October 2019. EUR 95,000

GMDSS and UHF Radios

Both VHF DSC Radios in the bridge have been replaced, the MF/HF radio replaced, the SAT C replaced, and a completely new digital UHF radio system installed on board with two repeaters complete with designated programming, all to the value exceeding EUR 70,000

Miscellaneous Works

Other works carried out include the changing of exterior double glazed glass that had blown, polishing of anchor pockets, new backlit names, creating a beach club, new wind protectors for Bridge deck aft dining, replacement of deck covers, teak replacement, bike storage, all to the value exceeding EUR 140,000.

AV/IT & Electrical Upgrade  
IT Upgrade

The yacht has undergone a full IT upgrade, all of which is documented and backed up with an IT company support structure. New WIFI points added to increase speed around the yacht, a new top of the range corporate server installed, all computers and printers replaced, new wiring added for faster speeds, new security and firewall software installed, EUR 300,000

**COMMENTS**
