BEAM	9.3m	GUESTS	12

Following a comprehensive refit in 2014 by the renowned and award winning H2 design team, TURQUOISE boasts an ultra-modern and elegant interior. Designed to turn heads, she cruises comfortably at 14 knots from her highly efficient engines, providing the perfect combination of performance and luxury.

The vast exterior decks offer abundant "beach-chic" areas - whether you choose the main deck, bridge deck or sun deck, the seating is sociable, comfortable and offers panoramic views. On the sun deck she features an oversized Jacuzzi that easily accommodates 12 guests and a huge, sinuously curving relaxation area that is paved with sun pads as well as a bar, BBQ and seating area under the shade of the radar arch. The bar aft on the main deck is a fantastic space to have cocktails before settling down to watch a movie in the "Nikki Beach" style cinema, with chic voile drapes for privacy.

Exquisite styling and bespoke furnishings feature throughout the living areas. The impressive full beam master suite with private study and marble en suite bath and shower room is beautifully appointed with a further five en suite guest suites each with individual design.
